WALDEN WINS BIG CASE

Attorney W. B. Walden, of Berea, was in Chicago during the past week on important legal business for J. H. Lambert, administrator for Dan Owens, deceased, in a damage suit against the C. & E. I. railroad for \$25,000 damages. A substantial compromise was offered by the defendants to settle the case out of court, but was refused by the plaintiff, and the case will come up for trial at a later date. —Berea Citizen.

Lick The Bolshevik

(By Associated Press)

Archangel, Saturday, March 15.—The American and Russian detachment at Gorka, yesterday repulsed an attack of 500 Bolshevik troops at Gorka, and captured five prisoners, five machine guns, killed 57 of the enemy and suffered but one casualty. This is the first serious Bolshevik attempt to cut the line of communications of Dvina and Vaga columns.

Doubt of Liberty Loan

(By Associated Press)

Washington, March 17.—The Federal Reserve Board, in its March bulletin, issued today, expresses doubt of the Victory Liberty Loan, consisting of short term notes, will be as widely distributed as past issues of long term bonds. They say they are not as well adapted for investment of private individuals, and that the tendency will be for banks to absorb them and that on the whole would operate to increase an inflationary tendency already noticeable.

First Baptist Church To Employ Missionary

At a congregational meeting of the First Baptist church at the eleven o'clock service Sunday morning it was decided to employ a church missionary for the summer. This matter has been under consideration for some time and a decision was reached yesterday. Miss Lucy Brown has been selected to do this work. Miss Brown is now taking a course in the Women's Missionary Training School at Louisville and will enter upon her work the first of June. She was member of the First Baptist church of Mexico, Mo., while Dr. Green was pastor there, and is a young woman of deep consecration and very efficient along various lines of church work. While serving as missionary for the First Baptist church of Richmond, Miss Brown will also work among the missionary societies and in churches which have no missionary societies throughout Madison county.

Ysaye Coming To Lexington

Eugene Ysaye, noted Belgian violinist, recently appointed conductor of the Cincinnati Symphony Orchestra, will be in Lexington April 8th, when 90 members of the orchestra will give matinee and evening concert. The sorrows of the great Ysaye in the present war have been as deep and painful as his life has been remarkable. Not only has his home in Brussels been taken possession of by the Germans, but his charming villa in Godine, near Namur, where he was accustomed to spend his summers, and where great violinists from all over the world visited him to receive instruction, has been completely devastated. The earnings of his life's career invested in Belgium securities and banks have also been preempted by the Germans. Two sons who answered the call of their country, have fallen in battle, while the wife to whom he is devotedly attached and from whom he is separated by the exigencies of his career, has found refuge at Nice in the south of France, as remote as possible from the scene of actual warfare. In the rush to escape Ysaye was compelled to leave behind him 14 trunks, one of which was filled with his manuscripts, among them six symphonies, violin pieces and concertos.

Rate Case Up Today

(By Associated Press)

Washington, March 17.—Authority of Postmaster General Burleson to increase telephone rates throughout the country, will be determined by the Supreme Court which today granted the State of Kansas permission to institute proceedings questioning the validity of Burleson's order, of December 13th, establishing a new toll rate.

A wife and seven children survive him, and mourn for the loving and devoted husband and father, who has gone on before. —Berea Citizen.

"The Bird of Paradise" Coming To Lexington

"The Bird of Paradise" will play its first engagement at the Lexington Opera House on Friday and Saturday, March 21 and 22, and Saturday matinee. This is the eighth year of Richard Walton Tully's delightful Hawaiian play. Oliver Moroso this season has assembled a notable cast.

Mr. Tully has shown the tragic and pathetic side of little Luana, the Hawaiian princess, who learns when too late, that although she may claim to be able to hold her white husband's love, through her personal charms, yet when he is ready to leave her, they have no meaning at all. She learns the old, old story that once a man tires a woman, he can easily forget, but not so with the one he tires of. Mr. Tully also shows in contrast that no matter how low a man may have fallen, the influence of a pure woman can bring out all that is best in him.

The cast will be headed by Florence Rockwell, who will enact the role of Luana, surrounded by a score of players, including the famous Hawaiian quintette whose songs have become one of the most popular features of this wonderful romance. The scenic equipment of "The Bird of Paradise" is one of its most essential features and the new production presents a picture of the Islands as real as the scenic artist could make them.

Monarchists Active Again In Berlin

(By Associated Press)

London, March 17.—Berlin correspondents of London newspapers assert that monarchist reaction is overshadowing the new government. The Mail's correspondent who has arrived from Berlin, asserts that President Ebert, Chancellor Schiedemann and Minister of War Noske, are merely puppets who merely for the purpose of retaining office, allowed members of the military caste to reappear as organizers of the new republican armies. Meanwhile the monarchists are apparently endeavoring to methodically exterminate the Spartacans.

HUNS WILL REFUSE TO SIGN PEACE TREATY

If Conditions Go Beyond Wilson's 14 Points, Says Erzberger—Gen. Von Arnim Killed by Peasants

(By Associated Press)

Copenhagen, March 17.—If the allies load the peace treaty beyond President Wilson's 14 points, the German national assembly will refuse to sign the treaty, Mathias Erzberger, head of the German armistice commission, declared in an address at Berlin, discussing the League of Nations, according to a Berlin dispatch today. He said the matter would be left to a referendum of the German nation. He disclaimed any German obligation to give compensation for acts committed after the first peace offer in December 1916, and declared that the only means of halting Bolshevism was the abandonment of the allied "mailed fist."

Sort of "Political Prohibitionists" Eh?

An interesting list of "Dry" Con-
gressmen at Washington, who took
the pains to lay by a little "on the
side" before the bone dry law went
into effect, is published in dispatches
from the capital. In the number is a
Kentuckian's office address and others
known here. The dispatch said in
part: Express office "ardent spirits"
shipment receipts, placed on public
record in the District of Columbia Li-
cense Bureau, indicate that the Senate
and House office buildings are suffi-
ciently stocked to dispel Congressmen's
thirst for quite a while. Congress-
men, despite the dry era they have
voted upon the country, will be able
to take it or leave it alone, just
they have done in the past. The law
requires that express shipment re-
ceipts shall be filed, along with af-
fidavits certifying to liquor order.
The receipts usually are always unde-
cipherable and frequently made out
"dummies." Thousands of the papers
searched the other day, show that
Congress took part in the rush of the
last few weeks before the "bone dry"
law went into effect.

"Drys" receiving shipments includ-
ed Representatives D. R. Anthony, of
Kansas, who had three shipments; T.
M. Bell, of Georgia; F. Clarke, of
Florida; Loren E. Wheeler, of Illinois;
Carl Vinson, of Georgia, and "J.
Shouse," of Stoneleigh Court. Former
Congressman J. J. Shouse, of Kan-
sas, whose term expired March 4, lives
at the apartment named. One J. C.
Anderson received a shipment at
Room 377, House Office Building,
which is the office of Representative
Ben Johnson, of Kentucky, who voted
"dry."

of his experiences and the things that
appealed to him as being really worth
while. After Mr. Mayse's report, ev-

that is being done by student Y. M.

Women Find Clear Skin In Simple Laxative

A sense of false modesty often prevents women from
admitting that many of her ills and disorders are due primarily
to constipation.

But women who know themselves have learned that head-
ache remedies and beautifiers only cover the trouble but do
not dislodge it.

What is needed is a remedy to move the bowels and stir
up the torpid liver. An ever-increasing number of sensible
women take a small dose of a combination of simple laxative
herbs with pepsin known as Dr. Caldwell's Syrup Pepsin and
sold by druggists under that name.

It will save a woman from the habitual use of headache
remedies, skin lotions and similar makeshifts. Once the

KEPT HER AWAKE

The Terrible Pains in Back and Sides. Cardui Gave Relief.

Marksville, La.—Mrs. Alice Johnson, of this place, writes: "For one year I suffered with an awful misery in my back and sides. My left side was hurting me all the time. The misery was something awful."

I could not do anything, not even sleep at night. It kept me awake most of the night. . . I took different medicines, but nothing did me any good or relieved me until I took Cardui. . .

I was not able to do any of my work for one year and I got worse all the time, was confined to my bed off and on. I got so bad with my back that when I stooped down I was not able to straighten up again. . . I decided I would try Cardui. . . By time I had taken the entire bottle I was feeling pretty good and could straighten up and my pains were nearly all gone.

I shall always praise Cardui. I continued taking it until I was strong and well. If you suffer from pains due to female complaints, Cardui may be just what you need. Thousands of women who once suffered in this way now praise Cardui for their present good health. Give it a trial. NC-133

LOOK!

To You

who are considering the purchase of a new range, we offer a few suggestion. First of all—

BUY A REAL RANGE

Don't economize too closely on the purchase price. Econ-

omy is not merely spending the least money; buying a range at too low a price is indeed **false economy**.

If you were going to spend a certain amount for a range, surely you would not be so pressed for funds that you could not add enough to get a **really high grade range**. The additional cost is nothing compared with the economy of fuel, durability and satisfactory service enjoyed through the years of ownership of a **GREAT MAJESTIC RANGE**.

And Above All—thoroughly examine the range you buy. A range bought from printed description may be "exactly as represented," and yet not what you thought—you may be "getting your money's worth," and yet make a **bad investment**.

A little more NOW pays Dividends LATER

FAIRVIEW

The Home of "Vatican," "Bermuda Girl" and famous "Nell" at **Public Auction**
ON
WED., MARCH 19th

AT 10 O'CLOCK A. M. ON THE PREMISES

I will offer for sale for James J. Neale, this fine farm of two hundred and two and one-half acres, situated on the Lexington pike, (Dixie Highway), about one and one-half miles from the city limits of Richmond, Madison county, Kentucky.

This farm is known all over the United States as the home of Vatican, the great sire, and Nell, the first mare to produce five trotters in the 2:10 class, including Bell-Vara, with two world's records to her credit; and Bermuda Girls, a Futurity winner in the nineties.

Richmond is a city which has always been noted for its morality, its culture, and its wealth. Educational facilities are unbounded—the Eastern Kentucky State Normal School, Madison Institute, and two large High Schools make it an educational center.

WITHIN 50 MINUTES BY AUTOMOBILE TO LEXINGTON, KY.

The farm faces on the Dixie Highway from the south side — the right side, because the prevailing winds are from the south and the dust always goes the other way, and the afternoon shade will always be on the front porch.

All this Land is Well Watered With Ponds and Springs

There is no better land in the Bluegrass, and real bluegrass will continue to go up for years, because it is limited in amount and is considered the most productive land in the world. Everybody wants a piece of bluegrass land. It is known all over the world. It will raise Corn, Tobacco, Hemp, Wheat, Oats, Rye, Truck Garden—anything that will grow in moderate climate. It produces the Kentucky Thoroughbred, export cattle, fine hogs, sheep, and develops them to perfection.

I am going to sell this farm for the High Dollar, and if you want land, come and see this.

To see it is to want it

For the benefit of those who want a home and are unable to buy the whole tract, it will be offered in tracts, and then as a whole. Where will you ever again find a more beautiful place for a home than these small tracts?

The Four Tracts

TRACT No. 1—30 acres, unimproved, facing on Dixie Highway, a beautiful building site, adjoining the land of Mr. H. B. Hanger.

TRACT No. 2—30 acres, unimproved, facing the Dixie Highway, another beautiful building site, adjoining the above tract.

TRACT No. 3—60 acres upon which is located a tenant house, large barn, with silo, which can be used for either stock or tobacco barn. This tract is between Tract No. 2 and Tract No. 4, and has an excellent building site for a dwelling on the Dixie Highway.

TRACT No. 4—82½ acres, upon which is situated an excellent modern dwelling, with water and lighting systems, all necessary outbuildings, 2 large barns, one with silo, can be used for either stock or tobacco, tenant house and everything essential for a good home. This tract faces the Dixie Highway and is bounded on the north by the Jack's Creek pike.

I have made many sales in Madison county, and I have never failed to sell any land I have offered.

This land is up for sale to the highest bidder and is going to sell.

Terms will be announced on day of sale and will be liberal.

Hugely Shearer In Hunland

Lieut. Hugely Shearer, who is with the Army of Occupation in Germany, writes a most interesting letter to Mr. T. J. Moberly, which his friends will enjoy reading:

Thaulhausen, Germany, Jan. 23.

Dear Uncle Tom—While I have time this afternoon will drop you a few lines to thank you for the papers which I have been receiving from you. They certainly are very highly appreciated; none any better than the farming sheet. Mother sends me the Daily Register two or three times a week. I guess you have seen in the papers where we are in Germany, (the 32 division.) The weather here is just about like it is there, this time of year. It has been awfully cold here for the last two or three weeks. We have had only one big snow, that was Christmas day. I am glad to say we have better places to sleep than we had along about Xmas time. Most of us were sleeping in barns and any old place they could find room for us. We have marched back about 15 miles from where we were. We are now billeted in the German homes from four to five men in a room. This way makes it lots better.

I hope it won't be long before they send us back to the old U. S. A. But from the way they are talking now we are going to be here from one to four months longer. I hope it is not true for I have seen just about all of this country I care about seeing. I guess they will get us home in time to celebrate the Fourth of July any way.

Thanking you again for the papers, I am yours truly,
HUGELY SHEARER.
